

S2&S3 Prepared Speech Topic

The Power of Courage

Guideline:

The line from the movie *Superman*—"There is a superhero in all of us. We just need the courage to put on the cape"—emphasizes that everyone possesses inner strength and potential. It suggests that with a bit of bravery, we can tap into this potential and achieve greatness. Please share one of your personal experiences that requires great courage. Tell us what made you pluck up your courage to embrace the challenge and what you learned from the experience.
